

Your Complete Guide to Yard and Garden Décor

Category	Description	Examples
Plantings as Décor	Plants can serve as structural and artistic elements in your garden, adding color, texture, and movement.	Specimen Trees (e.g. Weeping Cherry), Hedges (e.g. Boxwood), Topiary, Ornamental Grasses, Groundcovers
Natural Accents	Using non-living natural elements enhances garden aesthetics and connects it to the environment.	Boulders, Dry Creek Beds, Gravel Patterns, Moss Features, Log Planters
Vertical Structures	These elements draw attention upward, create drama, and support climbing plants.	Arbors, Pergolas, Trellises, Obelisks, Gazebos
Water Elements	Water features provide a calming atmosphere and enhance sensory experiences in your garden.	Fountains, Ponds, Waterfalls, Birdbaths, Rain Chains
Wildlife Pieces	Encourage wildlife interaction with dedicated shelters and feeding stations in your garden.	Birdhouses, Bee Houses, Bat Boxes, Toad Houses
Furniture	Transforms your garden into a functional and inviting living space for relaxation and entertainment.	Benches, Chairs, Swings, Hammocks, Bistro Sets
